# ULTRATEMP POOL HEAT PUMP

*Heat your pool at a fraction of the cost compared to other gas systems, as well as with oil and electric heaters on the market. Enjoy more comfortable water temperatures and a longer swimming season. The UltraTemp heat pump uses a temperature control system to maintain a desired temperature making it convenient and hands-free. The systems use non-ozone depleting refrigerant awarding them the Eco Select® Brand for environmental responsibility. 100% titanium heat exchanger means extra-long life and corrosion-free performance. BTU and efficiency independently certified by the Air Conditioning, Heating, and Refrigeration Institute (AHRI).*

## OPTIONS

Item #	Model #	80/63/80 BTU/COP	Breaker Size	Phase	Volt	Price
13-1530	120 H/C	127,000 Heat/5.6 71,000 Cool/4.1	50 amp	1	230	\$4995.00
13-1529	140	134,000/5.6	50 amp	1	230	\$5495.00

Installation Priced Separately.

## WARRANTY

Compressor	Heat Exchanger	Parts	Labor
10 Years	Lifetime Years	2 Years	1 Year

ENJOY EXTRAORDINARY WATER  
FROM THE WATER EXPERTS.
